MEDICINAL.

Oh, My Back!

That's a common expres-
sion and has a world of
meaning. How much suffer-
ing is summed up in it.

The singular thing about
it, that pain in the back
is occasioned by so many
things. May be caused by
kidney disease, liver com-
plaint, consumption, cold,
rheumatism, dyspepsia, over-
work, nervous debility, &c.

Whatever the cause, don't
neglect it. Something is
wrong and needs prompt
attention. No medicine has
yet been discovered that
will so quickly and surely
cure such diseases as
BROWN'S IRON BITTERS, and
it does this by commencing
at the foundation, and mak-
ing the blood pure and rich.

Logansport, Ind. Dec. 7, 1880.
For a long time I have been
suffering from stomach and kidney
disease. My appetite was very poor
and the very small amount I did eat
disagreed with me. I was annoyed
very much from non-retention of
urine. I tried many remedies with-
out success, until I used Brown's
Iron Bitters. Since I used that my
stomach does not bother me any.
My appetite is simply immense. My
kidney trouble is no more, and my
general health is such that I feel
like a new man. After the use of
Brown's Iron Bitters for one month,
I have gained twenty pounds in
weight.
O. B. SARGENT.

Leading physicians and
clergymen use and recom-
mend BROWN'S IRON BIT-
TERS. It has cured others
suffering as you are, and it
will cure you.

The House of Rothschild.
More than a hundred years since, a poor
Jew, called Mayer Anselm, made his appear-
ance at the city of Hanover, bare-footed,
with a pack on his shoulders and a bundle
of rags on his back. Successful in trade,
he returned to Frankfurt at the end of a few
years, and set up a small shop in the Jew
lane, over which he hung the sign-board
of a red shield, called in German a *ruth-
schild*.
As a dealer in old and rare coins, he made
the acquaintance of the Serene Elector of
Hesse Cassel, who, happening to be in want
of a confidential agent for various open and
secret purposes, appointed the shrewd-looking
Mayer Anselm to the post.
The Serene Elector being compelled soon
after to fly his country, Mayer Anselm took
charge of his cash, amounting to several
millions of florins. With the instinct of his
race, Anselm did not forget to put the money
out on good interest, so that before Napoleon
had gone to Elba, and the illustrious Elector
had returned to Cassel, the capital had
more than doubled.
The ruler of Hesse Cassel thought it al-
most a marvel to get his money safely re-
turned, and at the Congress of Vienna was
never tired of singing the praise of his agent
to all the princes of Europe.
The dwellers under the sign of the Red
Shield laughed in their sleeves, keeping
carefully to themselves the great fact that
the electoral four millions of florins had
brought them four millions of their own.
Never was honesty a better policy.
Mayer Anselm died 1812, without having
lost his confidence of having his honesty
extolled by kings and princesses. He
left five sons, who succeeded him in the
banking and money-lending business, and
who, conscious of their social value, dropped
the name of Anselm, and adopted the
higher-sounding one of Rothschild, taken
from the sign board over the parental
house.
On his death bed, their father had taken
a solemn oath from all of them to hold his
four millions well together, and they have
faithfully kept the injunction.
But the old city of Frankfurt was clearly
too narrow a realm for the fruitful sowing
of four millions; and, in consequence, the
five were determined, after awhile, to ex-
tend their sphere of operations by estab-
lishing branch banks at the chief cities of
Europe.
The eldest son, Anselm, born in 1773, re-
mained at Frankfurt; the second, Solomon,
born in 1774, settled at Vienna; the third,
Nathan, born in 1777, went to London;
the fourth, Charles, established himself in the
soft climate of Naples; and the fifth and
youngest, James, born in 1792, took up his
residence at Paris.
Strictly united, the wealth and power of
the five Rothschilds were vested in the
eldest born; nevertheless, the siredest of the
sons of Mayer Anselm, and the heir of his
genius, Nathan, the third son, took the reins
of government into his own hands.
By his faith in Wellington, and the flesh
and muscle of British soldiers, he nearly
doubled the fortune of the family, gaining
more than a million sterling by the sale of
the Waterloo, the news of which he carried
to England two days earlier than the
mail.
The weight of the solid millions gradually
transferred the ascendancy in the family
from Germany to England, making London
the metropolis of the reigning dynasty of
Rothschild.—Philadelphia Saturday Night.

STUDY—A PLEASURE.—It is very easy to be
studious without hard study. There is a habit of
observation into which persons educate themselves
that is in no sense exacting on the vitality; on
the other hand, it is refreshing and exhilarating;
and yet it is but the way they follow it have of
cultivating their faculties and filling their minds
with useful information. They are thoughtful,
full of reflection, disposed to believe everything
they are told, and they are not without an
other thought than that he is advised to sit
himself out with poring over books and enduring
the weariness of seclusion. If a young man will
only think of it rightly, he will seek to be studious
in the pleasant way of thoughtfully considering
all he sees and hears, thus making his acquisition
of knowledge a part of the pleasant occurrence
of his life.—Ex.

WARNER'S SAFE KIDNEY AND LIVER CURE.
Disease is an effect, not a cause. Its origin is
within; its manifestations without. Hence, to
cure the disease the cause must be removed, and in
no other way can a cure ever be effected. WAR-
NER'S SAFE KIDNEY AND LIVER CURE is es-
tablished on just this principle. It realizes that

of all diseases arise from deranged kidneys and
liver, and it strikes at once at the root of the dif-
ficulty. The elements of which it is composed act
directly upon these great organs, both as a food
and restorative, by placing them in a healthy
condition, drive disease and pain from the system.
For the innumerable troubles caused by un-
healthy Kidneys, Liver and Urinary Organs; for
the distressing Disorders of Women; for Malaria,
and for physical derangements generally, this
great remedy has no equal. Beware of impostors,
imitations and concoctions said to be just as good.
For Diabetes, ask for WARNER'S SAFE DIA-
BETES CURE. For sale by all dealers.
